

# Globalisation

## One Health Congress 2021

May 10th 2021 | 15:15 - 20:30 | Teamscode x8a8qq3 | Free | 3 CS

After a pandemic year we are all aware that globalisation has an enormous impact on our planet. During the One Health Congress students of medicine, veterinary medicine, biomedical sciences and pharmacology come together to learn from prominent scientist in the field and take part in workshops.

Lecture 1: Wim van der Poel

“GLOBAL ONE HEALTH APPROACH FOR EMERGING ZOOSES PREPAREDNESS”

Lecture 2: Marcus Rijken en Joyce Browne

“THOSE WHO HAVE THE PRIVILEGE TO KNOW, HAVE THE DUTY TO ACT”

Lecture 3: Kees Cools

“UNIVERSAL DRUGS IN THE PHARMACEUTICAL INDUSTRY”

Lecture 4: Wilbert Bannenberg

“ACCESS TO MEDICINES AND THE ROLE OF THE PHARMACEUTICAL INDUSTRY”

Workshops:

One Health game | Pharmacotherapy for pain management in animals | Risk Management | Lowering your carbon footprint as a means for increasing health
